Informal discussion

Jesse Sandler – 37 Oak St. Mr. Sandler stated he owns 37 Oak St. he is a student at Salem Community College in the glass blowing class. The general consensus is to have a rooming house. The glass blowing class has increased in popularity it’s been taking off with interest and keeps expanding. The dilemma is every year there’s a crisis, students finding a place to live in the local area. The houses on Oak St. are run down or too expensive to operate. Earl Gage stated Oak St. is transitioning right now, some are restored and some are vacant. He has reservation on a rooming house. Opening a rooming house has greater responsibilities, would require permits to bring up to code because of population. It was suggested that the applicant do some research on rooming homes.

It was moved and seconded by Earl Gage and James Smith to adjourn the meeting at 7:10 pm. All were in favor.
