Report Details - Part C

Sharing of Responsibilities

Do you share services with another entity to satisfy a permit requirement?

No

Incidents of Non-compliance

Based on the answers you provided above, the Department has identified the following possible permit compliance issues. Please complete the Incidents of Non-compliance section and identify steps being taken to correct these deficiencies.

- Your municipality is not ensuring that adequate long-term operation and maintenance of stormwater BMPs is being performed on property that you do not own or operate.
- Your municipality has not conducted educational activities that total the minimum number of points required by the permit (between January 1, 2020 and December 31, 2020).

1. Did your municipality have any incidents of non-compliance?	Yes
2. Identify the steps being taken to remedy the noncompliance and to prevent such incidents from recurring. (If the text box is not large enough to complete this section, please provide your report as an attachment and upload it on the next screen. Please reference the attachment in the textbox.)	We will be instituting a stormwater BMP plan for property we do not own. We will be doing more educational activities. The former stormwater person left us suddenly last year.
