## BLEACHER DEMOLITION

After years of use and weather related deterioration, the community rallied together and began fundraising to repair the bleachers. With the community led effort combined with municipal support the replacement of the bleachers on Walnut Street Field has begun. The new bleachers is expected to be installed by mid August.

## FINANCIAL LITERACY IS A LIFE SKILL

Ann Mac Lending and Kellar Willams presented a fantastic class. Discussing the five parts of credit and what lenders look for gave attendees a better understanding of what's most important when paying bills and narrowing down fixed and variable expenses to improve their budgets. Financial Literacy Classes are for everyone and are essential to navigating life. Our team ensures you can obtain knowledge from multiple sources and constantly provide an array of guests.

## PROPERTY CLEAN UP

A resolution was approved to establish a vendor list for small clean up projects on city owned properties. This will include area beautification of properties
