The Federal Government, as mortgage lender in this transaction, its agencies, agents and assigns, are authorized to take any and all of the following actions in the event loan payments become delinquent on the mortgage loan covered by this application: (1) Report your name and account information to a credit bureau; (2) Assess additional interest and penalty charges for the period of time that payment is not made; (3) Assess charges to cover additional administrative costs incurred by the Government to service your account; (4) Offset amounts owed to you under other Federal programs, (5) Refer your account to a private attorney, the United States Department of Justice, a collection agency, or mortgage servicing agency to collect the amount due, and foreclose the mortgage, sell the property, and seek judgment against you for any deficiency; (6) If you are a current or retired Federal employee, take action to offset your salary, or civil service retirement benefits; (7) Refer your debt to the Internal Revenue Service for offset against any amount owed to you as an income tax refund; and (8) Report any resulting written-off debt of yours to the Internal Revenue Service as your taxable income. All of these actions can and will be used to recover any debts owed when it is determined to be in the interest of the lender and/or Federal Government to do so.

ATTACHMENT 3-H

CREDIT SCORE DISCLOSURE

In accordance with the Fair and Accurate Credit Transactions Act of 2003 (FACT Act) and in connection with your application for a Rural Development Single Family Housing (hereafter referred to as “the Agency”) home loan, the Agency, upon request, must disclose to you the score that a credit bureau distributes to users and will be used by the Agency in connection with your home loan as well as the key factors affecting your credit scores.

While the Agency does not consider credit scores in determining adverse credit decisions, we may use them to presume acceptable credit in lieu of other credit underwriting practices. Credit scores assist lenders in evaluating your credit history in a more expedient and objective manner. Your credit scores are found on your tri-merge credit report, a copy of which will be provided to you upon request. The range of possible scores is from 300 to 850. The Agency may also obtain and consider other credit scores in making its decision on your application.

In addition to the credit scores, your credit report lists the key factors related to why your scores were less than the maximum possible score. Please keep in mind that the factors are only indicators of why you received less than the maximum score possible. The listing of these factors does not by itself indicate that you would not be approved for the loan you have requested. Rural Development considers many factors in addition to your credit scores in making a decision on your application. If your application is not approved, you will receive a separate notice stating the specific reason(s) for that action which may or may not relate to your credit scores.

The Agency did not calculate your credit scores or develop the scoring models. If you have any questions about your credit scores or the information in the tri-merge credit report from which the scores were computed, you can contact the credit bureau at the address listed below.

NOTICE TO HOME LOAN APPLICANT

Pursuant to FACT Act, Section 212.

In connection with your application for a home loan, Rural Development must disclose to you the score that a credit bureau distributed to the Agency and was used in connection with your home loan, as well as key factors affecting your tri-merge credit score.

The credit score is a computer-generated summary calculated at the time of the request and based on the information a credit bureau has on file. The scores are based on data about your credit history and payment patterns. Credit scores are important because they are used to assist the Agency in determining whether you will obtain a loan. Credit scores can change over time, depending on your conduct, how your credit history and payment patterns change, and how credit scoring technologies change.

Because the score is based on information in your tri-merge credit history, it is very important that you review the credit-related information to make sure it is accurate. Credit records may vary from one company to another.

If you have any questions, about your score or the credit information that is furnished to you, contact the credit bureau at the address and telephone number provided with this notice. The credit bureaus play no part in the decision to take any action on the loan application and are unable to provide you with specific reasons for the decision on the loan application.

If you have any questions concerning the terms of the loan, contact Rural Development.

THIS DISCLOSURE HAS BEEN PROVIDED TO THE APPLICANT(S) PURSUANT TO SECTION 212 OF THE FAIR AND ACCURATE CREDIT TRANSACTIONS ACT OF 2003. I UNDERSTAND THAT I MAY RECEIVE A COPY OF MY TRI-MERGE CREDIT REPORT BY MAKING A WRITTEN REQUEST TO THE RURAL DEVELOPMENT OFFICE HANDLING MY LOAN APPLICATION.
